

Invitation

First Belgian TraumaZentrum DGU® Day

Dear Sir and Madam,

The German Trauma Society DGU, invites all Belgian Trauma Centers DGU as well as all Belgian TraumaRegister DGU® participants to attend the first national meeting in Belgium. We would be honored to welcome you numerously on

Saturday, 21st January 2023
9.00 – 13.00 h

UCL Clinique Universitaire Saint-Luc
Avenue Hippocrate 10
1200 Bruxelles

The aim of this meeting is to present an update of the extent and prosperity of our cooperation, to foster the structures for and quality of trauma care and to discuss the vision of a networked collaboration for the benefit of the severely wounded trauma patients.

For all interested clinicians, there will be the presentation of BTRI, the Belgian Trauma Registry Initiative, its goals and purpose (P4P and Healthdata) as well as the statement of Mr. Patrick Van de Voorde, Chair of the working group of the cabinet of the Federal Minister of Health Care to TraumaNetworks in Belgium. We would be glad to discuss you questions on trauma care in Belgium.

Please distribute this invitation throughout your colleagues and further interested trauma centers.

Registration requested until January 16, 2023 including your name, title, clinic, role and which part you will join (closed, open or both) per e-mail to tnt@auc-online.de. There is no participation fee.

Looking very much forward to seeing you soon in Brussels!

Prof. Dr. med. Steffen Ruchholtz, President of the German Trauma Society DGU, Marburg
Dr.-Ing. Christine Hoefler, Deputy General Manager Academy for Trauma Surgery, Munich

Dr. med. Sabine Lemoyne, Chairman and Founding Member of BTRI
